Special Agent James W. Sibert and Francis X. O'Neill, Jr., both of the Baltimore Office assigned to the Hyattsville Resident Agency, appeared at the President's Commission today and were interviewed by the Commission Staff Member Arlen Specter. Specter complimented the Bureau on the investigation which had been made, indicated he was preparing for a detailed Commission hearing relative to the medical reports covering the autopsy of President Kennedy at the U. S. Naval Hospital, Bethesda, Maryland, and that he desired to better inform himself of the exact conditions which existed concerning the Agents being present during the autopsy.

Briefly stated, the questioning followed in detail the information set out in the FD-302 Interview Forms prepared by the Agents. A detailed memorandum is attached setting forth the questions and answers that took place as best recalled by the Agents, it being noted they were not able to take detailed notes during the interview.
