NOTE:

Commission, by referenced letter, referred to above item wherein one Warren Reynolds, a witness to Oswald's shooting of Dallas police officer J. D. Tippit, was in turn shot by an intruder in his auto concern. Dallas PD suspect, Darrell Wayne Garner, was absolved from involvement in the shooting of Reynolds "primarily" because of the testimony of Betty (Mooney) MacDonald, allegedly a stripper at Jack Ruby's Carousel Club. Subsequently, MacDonald is reported to have hung herself. The Commission requested "a full report." Purpose of Commission's request is not known; however, Reynolds was witness to Tippit shooting. Reynolds is recovering. Investigation by our Dallas Office through the Dallas PD substantially corroborates Considine's story with the exception his story is somewhat sensationalized. Based on our investigation MacDonald was never employed by Jack Ruby and there is no apparent connection with this matter and our investigation.
