Why not let this die down
 its nothing to keep a lie &
 B. Good if Cook & Joubert
 up, that's not the only
 assassination ever in the
 world us & us & all over the
 world know just why he
 got shot he did & a few
 of his friends & answers are
 just what
 what's in a name he has
 spent a lot of time training
 for in other words a great
 deal of time is a fine hole
 in the world. B. Good
 got shot in the back
 of the head. The world
 think he got just what
 he ask for. The B. Good
 is like the B. Good
