Dear Marina,

Thank you very much for your letter which I received a week ago. I was very sorry to learn that Lee is not working. It is hard for him and for you in the meanwhile. I hope that he will begin (working) again soon. Perhaps, he has already began.

It is too bad, you are not <sup>still</sup> in Dallas yet. I found out that you may go to the Parkland Hospital (there, in Dallas), and receive everything necessary and pay only according to your earnings. Those unable to pay do not have to.

But, in order to get this aid, you have to live in Texas for one year and, in Dallas County, for six months.

Lee told me that he learned a little from his uncle how to drive a car. It would be very useful for him to know how to drive. But it is hard to find time for this when he works every day.

Tomorrow, we and the children will go to Baltimore, Maryland, where Michael's brother and his wife live. We will spend one day there and then we will go further to Washington, where we will stay with sister until Thursday. Then back to Paoli again, where we will wait for my father. He will be here with us for two days. I expect to be in Paoli until September 10, and then to go to Ohio and Indiana, where our relatives and friends live, and to arrive in New Orleans on the 20th, in daytime if I can make it; otherwise, in the evening.

I hope you will be able to understand this letter. My mistakes are terrible.

(In Paoli)

Please write to me here one more time. I shall be glad to hear news from you and will be particularly glad to see you, Lee and June in September.

All of the best,

Sincerely,

/s/ Ruth
