concerning WASS, it being noted that he stated he contacted a Lieutenant DUB BEALL of the Port Arthur Police Department.

Will identify the owner of the Golden Cask at Port Arthur, Texas, which, according to WASS, is owned by a PAUL COLLETTI (phonetic) and, if deemed advisable, interview him concerning WASS.

Will verify confinement of WASS at the Park Place Hospital, where he indicates he was attended by a Doctor BINSKY (phonetic).

HOUSTON at Houston, Temas, will verify employment of WASS as a Dental Technician by RALPH KESSLER, owner of Towers Dental Laboratory, Medical Towers Building.

HOUSTON should submit 25 copies of inserts and FD-302's of all investigation conducted by them, including interviews with WASS.

DALLAS will locate and interview JIM LATTIMER or LOUDERMILK, Room 5, 911 Haskell Street, bearing in mind the conversation WASS states he had with this individual, and the fact that WASS indicated that the individual told him if he betrayed the confidence he would be eliminated.
