<p>Miss V. Jones, SOV, telephoned to say that Mr. Foster of that office wanted to know what reply had been made to Pocco's dispatch 29 of July 11, 1941 in the case of Crowl. I stated that a draft reply was in preparation. Miss Jones stated that Mr. Foster would like to clear the communication and pointed out that PIT is the only office of the Department whose communications to Pocco are not cleared in PIT. I stated that I had never heard that our passport and citizenship decisions should be sent to her for clearance and that under standing instructions, my recorder a copy of the Operations Memoranda prepared in this Division addressed to the Pocco Division.</p> <p>I stated that I would put a memorandum in the file of Crowl to show the special interest of SOV in the reply to dispatch 29, mentioned above.</p>
