*Assassination of
President John F.
Kennedy*

Honorable J. Lee Rankin
General Counsel
The President's Commission
200 Maryland Avenue, N. E.
Washington, D. C.

Dear Mr. Rankin:

Special Agent Lyndal L. Shaneyfelt of the FBI Laboratory furnished a deposition at the Commission offices on the morning of September 1, 1964. At the conclusion of the deposition, Mr. Norman Redlich of your staff requested that Special Agent Shaneyfelt furnish a letter advising the distance from the President at the time he was struck in the head by a bullet (frame 313 of the Zapruder assassination film) to the mark on the curbing removed from the south side of Main Street that has been referred to in previous testimony as Shaneyfelt Exhibit number 34. Special Agent Shaneyfelt has determined that the distance from the President's location in frame 313 of the Zapruder film to the mark on the curb on the south side of Main Street near the underpass is approximately 260 feet.

81 SEP - 3

COMM-FBI

REC 30 62-109060-3690
Sincerely yours,

J. Edgar Hoover

NOTE: During the testimony of SA Shaneyfelt at the Commission on 9/1/64, he was asked the distance from the mark on the south curb of Main Street to the President at the time the President was hit in the head by a bullet. SA Shaneyfelt did not have this figure available and therefore, was requested to furnish it by letter so that it can be made a part of his testimony.
