And Senator Hubert Humphrey :

Dear Sirs :

The MAN (LYNDON B. JOHNSON) whom you are rolling out the RED CARPET for is the same LYNDON B. JOHNSON who less than a year ago planned the trip and plotted the plan that resulted in the assassination of John F. Kennedy which brought lasting shame and disgrace to your fine cities , the Great State of Texas , the whole United States of America and the Free world .

All these plots to assassinate Mr. Johnson are political hoax which will result in a pack of lies as have the entire story surrounding the assassination of President Kennedy .

The guilty person (s) (Mr. Johnson, the chief assassination planner) has not been questioned and his answer made public about his knowledge concerning the whole matter . From the planning of the trip , the invitation for the Kennedys to his ranch , through the assassination .

Hubert , was Mr. Johnson TRIGGER HAPPY when he planned the plot to assassinate President Kennedy ? Was Mr. Johnson TRIGGER HAPPY when he ordered our troops to fire in Viet Nam ?

Are'n't Mr. Johnson and Mr. Humphrey the same two men who ran against Mr. Kennedy at the 1960 Democratic Convention ? LOOK CUT U-2 .

D.R. James
