Dear Mr. McGannon:

Please accept my thanks for your letter of November 8 and for the album you enclosed. It was most thoughtful of you to send this to me.

I, of course, would not want to comment on the evaluations and statements made by the individuals who were interviewed, but I do feel that such a record of first-hand observations can be valuable as a historical reference.

Sincerely yours,

J. Edgar Hoover

NOTED: McGannon is on the Special Correspondents' List. The recording is an interview with several newsmen who were traveling with the Presidential party on the day he was assassinated. It gives their reactions to the situation and thus gives the human interest element. There is no mention of the FBI.
