manuscript. He said that on 11/24/64 recortacted and has offered "a good price" if Irint the manuscript and have the job completed in ten days.

estimated that the final product printed would be approximately 25 pages:

He said that he did not want to get into trouble and felt he should contact the FBI before

Mr. was informed that the Bureau could not advise him in this matter.

DEILY on 11/27/04 that he would furnish the manuscript to the Los Angeles Office for review and instant manuscript will indicate be furnished the Bureau upon receipt by the Los Angeles Office.
