Dear Mr. Hoover: John F. Kennedy  
 I am a B7 who went to Texas ahead of President Kennedy and made a deal to have Kennedy shot - which benefited only him - and if after he had learned all he could from President Roosevelt that profited him much, why when he has become President of the United States would it still be in pattern to such and disgrace you in the Public eye? You, the last barrier against Communism. Now they can put up the big sign, "Commies come on in boys, the labor is wide open!"
