"Dear Sir,

"Here is something new for you guys and profitable too: instead of chasing out-of-State prolitable too: instead of chasing out-of-State cars belonging to travelling musicians, rich or poor, to see if you can make a buck on them, I have something better: your agency by now must have a lot of loose money.

"After 14 years of hard struggles here in the US I finally was approached to make a nilot film for

US I finally was approached to make a pilot film for a TV series on my ideas and music, which they both like. Since I have been out of the film business like. Since I have been out of the film business for a long time, although naturally I am up to date due to my own ideas and observations, I need financing. The whole series eventually will bring a tremendous profit. I am willing to go 50-50 with the financer on the profits. It is practically for sure that my pilot will be accepted, after which I get paid mostly in advance for the whole series.

"To make it more interesting: I knew about the killing of our beloved former President, mutually, although I couldn't believe it, during my stay in

Dallas, a few weeks before the actual shooting. I went through the same thing once before for ex vice-president Nixon. I stopped it and the result was that I lost my wife, my mother, my money, not to speak of my own physical hurts. Therefore I refrained from

warning the authorities while in Dallas.

"However the FBI and certain people know about it, since I do have a few friends here and there. since I do have a few friends here and there.

If I don't make it?

DR. JACK W. BLAINE CALVERT

The following investigation was conducted by SA ARNOLD J. KUTA:

On October 14, 1964, Dr. JAMES F. LEONARD, Dentist, 703 Union Arcade, who resides at 1605 Arlington, both Davencort, Iowa, furnished the following information:

He had thought about the assassination of the late President JOHN F. KENNEDY for a long time. He recalled seeing scenes on T.V. dericting sequences at the Dallas, Texas, Police Department and believed he saw Dr. CAUVERI among the group at the Police Department. He always falt the assassination of President KENNEW and the subsequent murder of LEE HARVEY OSWALD was an international conspiracy and does not believe the analysis findings of the Warren Commission regarding the matter.

Furthermore, on October 14, 1964, Dr. LEONARD heard news indicating that two males had been arrested in Corpus Christi, Texas, October 13, 1964, for carrying concealed weapons in the area where President JOHNSON was visiting or the speaking.

Dr. LEONARD has a "feeling" that Dr. CALVERT may be somehow involved, but had no specific reasons for his feeling or any information of a factual nature.

Dr. LEONARD noted Dr. CALVERT, whose whereabouts is presently unknown, was a dentist in Davenport, Iowa, who catered to children. He had his offices fixed up with murals especially attractive to children. Dr. CALVERT was considered by Dr. LEONARD as "far out" and a person who "went for bizarre things such as having a cannon in his front yard." Dr. CALVERT was a World War II veteran, was a "good shot," had guns including rifles, and had a bad reputation in Davenport. Dr. LEONARD personally felt Dr. CALVERT was the type who would do anything, even kill someone, if there was money in it.

Dr. CALVERT reportedly went to Texas, believed to be the Dallas, Texas, area, after deserting his wife and children about a year ago. The only organization to which Dr. CALVERT belonged so far as known to Dr. LEONARD was the Dental Society, and Dr. CALVERT seemingly had no particular interest in that organization. Dr. CALVERT was not known to belong to any organizations or groups inimical to the best interests of the United States or American form of government. Dr. CALVERT was described as a white male, late
30s, about 5'5", 150 to 160 pounds, black hair, glasses,
bouncy walk, World War II veteran.

On October 14, 1964, Deputy ALERET EFFERLY, Scott County Sheriff's Office, Davenport, Iowa, advised a check of files disclosed Iowa driver's license #4154143 was issued October 18, 1963, to Dr. JACK W. B. CALVERT, 1324 Harrison Street, Davenport, Iowa, described as a white male, born May 28, 1923, 5'5", 140 pounds, brown hair, brown eyes, dentist; license restricted to corrective lenses; expires May 28, 1965. Or May 1, Land Teach

Examination of the 1964 Davenport City Directory disclosed JACK W. ACALVERY (JEANINE) was a dentist with offices at 1324 Harrison Street and residence at 3410 Hobson, both Davenport, Iowa.

On October 20, 1964, Mr. VERV ERVET, Deputy, Sectt County Sheriff's Office, Devenort, Toxa, advised files of the Scott County Sheriff's Office contained no arrest record, identifiable with Dr. CALVERT.

On October 20, 1964, Miss JONE HEPFT, Clerk, Records Section, Police Department, Davenport, Iowa, advised records contained the following information for Dr. JACK CALVERT, a dentist, formerly residing at 2230 Harrison Street, and having an office at 1324 Harrison Street, Davenport, Iowa:

December 2, 1955 - talked to in connection with robbery and murder of Mrs. BACHER;

June 7, 1956 - reported kids trying to start cars in the car lot across the street from his office;

July 8, 1959 - notified of a dangerous tree on his property at 1512 Rockingham Road;

OM 89-20

August 10, 1959 - reported kids ripping shingles from his garage at 2230 Harrison; kids located and reprimanded and Dr. CALVERT's son, KEVIN, was one of group;

December 7, 1959 - Dr. CALVERT was driving his car when a car driven by NEIL SIEZAK ran into him;

March 6, 1961 - reported trouble with a tenant;

April 2, 1961 - reported a car ran into terricade at Rusholme and Harrison;

April 30, 1961 - reported to be selling go-carts from his garage;

May 19, 1961 - mentioned in report re investigation of Credit Management Service;

October 25, 1961 - reported vandalism;

January 5, 1962 - reported his son threatened by another boy;

July 5, 1962 - a "go-cart" complaint;

July 25, 1962 - reported kid trouble;

August 26, 1962 - reported a motor scooter stolen from his garage; cleared by arrest of juveniles;

September 29, 1962 - reported a prowler;

om 89-20 4

February 11, 1963 - reported PAUL PAGET threatened his daughter, CARROLL PAGET. Report B35048 disclosed Dr. CALVERT reported CARROLL PAGET, 3410 Hobson, Davenport, Iowa (a house owned by Dr. CALVERT) was at Dr. CALVERT's house and indicated she was afraid of her father as she had information her father was coming after her. CAPROLL PAGET reportedly indicated to Dr. CALVERT that her father had a terrible temper and might bring a gun with him when coming to get her, CARROLL PAGET, to take her home.

August 20, 1963 - mentioned re Mrs.

On October 20, 1964, Credit Bureau of Sactt County, District 1962, Saline Dr. Jack
W. BLAINE CALVERT had been on file since 1953 and had a very good credit rating until 1962. CALVERT was a dentist who lived at 2230 Karrison Street, Davenport, Ioxa, and had offices at 1324 Earrison Street, Davenport. His wife was BONFTA JEAN CALVERT and they had three children.

The records indicated Mrs. CAIVERT sued for divorce February 1, 1963, but the file contained no further information as to the outcome of the divorce action.

Dr. CALVERT left the Davenport area in late 1963 and his last known address in January, 1964, was Calla Calicia Colonia Alamos, 55A, Mexico City 13, Mexico. On January 11, 1964, however, it was reported he might be in the Dallas, Texas, area.

noted the file contained no more recent information and Dr. CALVERT's exact present whereabouts was unknown.

On October 20, 1964,

Scott County Courthouse, Davenport, Iowa, advised examination of Page 164, Book 29, Soldier's and Sailor's Discharge Record disclosed JACK "WB" CALVERT, SN 620 30 58, was honorably discharged from military service at the U. S. Naval Hospital, Farragut, Idaho, September 27, 1945. He held the rank of Signalman 2/c. CALVERT enlisted in the USNR as "AS VÓ USNR" on January 27, 1942, at Des Moines, Iowa, for a period of one year, but was honorably discharged September 27, 1945. The record indicated CALVERT held ratings of AS, S20, S1c, SM3c, and SM2c. He had certificates from the Quartermeater and and SM2o. The following investigation was conducted by SA JOHN H. TOAL:

On November 5, 1964,

Iowa State Dental Association, 520 Insurance Exchange Bullding, 505 - 5th Avenue, Des Moines, Iowa, advised that her files contain little information regarding Dr. JACK W. BLAINE CALVERT.

She advised the last Davenport, Iowa, business address for Dr. CALVERT in her files is 1324 Harrison Street. She said that in March, 1964, the Iowa State Dental Association received a letter from Dr.CALVERT in which he advised he could be reached at the following address: c/o JOE/WITTEMORE, 11044 Swaffor Drive, Dallas, Texas. In the letter she stated that Dr. CALVERT requested that the Iowa Dental Association forward to him certain documents because he was planning to "come up to Dallas" and take the Texas Boards in June (1964) at Baylor University.

She advised that in the letter Dr. CALVERT stated he had rheumatoid arthritis, that he was not sure that he would ever fully be able to practice dentistry again and that he thought the weather "here" might help his condition.

Mr. LOUIS EAVES, Route 2, Worthville, Kentucky, advised as follows:

He is a native of Carroll County and has lived in that vicinity all of his life.

He recalled that the brick work was done over a two ! months period by a group of five or six Negroes who were not from that area. They did a very poor job on the house and left without finishing the job. He also recalled that they did considerable drinking on the job. He could not recall the names of any of them.

When advised of the allegation made against him, he stated emphatically that he never made any such statement and that he had voted for Fresident KENNEDY and was an admirer of the late president. He could not recall having ever even discussed President KENNEDY with any of the bricklayers.

Mr. EAVES readily admitted that in the late 1920's, he joined the organization called the "Invisible Empire". However the Indiana persons who organized it subsequently left taking all of the money and the organization in that area folded up. He was of the opinion that he never mentioned this to any of the bricklayers.

He also said that he was not a member of the Masonic Order. He recalled that at the time of Fresident KENNEDY'S assassination, he was ill in bed at his home. المنظمة المنظم والمنظمة المنظمة المنظ والمنظمة المنظمة المنظ

Her husband has never mentioned a possible assassination attempt on President Johnson, in fact, he has expressed great admiration for Johnson.

She added that her humband has been undergoing psychiatric treatment at a sanitarium near Columbus, Ohio.

BU 62-1827 DL 89-43

WILLIEM ROBERT HARLY

The following investigation was conducted by SA ROBERT G. AULENBACHER at Rochester, N.Y. JULIALING FIRMLY

By letter dated July 10, 1964, Mr. WILLIAM R. HANLY, 1255 Ridgeway Avenue, Rochester 15, N.Y., communicated with the Honorable JOHN B. CONNALLY, Governor, Austin, Texas. The letter is on the stationary of an organization described as "The Mothers and Childrens Protective Society, 1255 Ridgeway Avenue, Rochester 15, N.Y." The letter is quoted as follows: as follows: .

"This is one of those things you'll never believe. At least you wouldn't if I didn't have the evidence to prove it.

"I was present in the Senate Committee room
in May 1930 when your father made a strong demand
to treat the syphilitic war veterans before they
became a menace through disease and violence to the people. I also have some letters around that he wrote to me at that time expressing himself very strongly.

"I'm sure he had no idea that his own son and the President would be shot by a syphilitic ex service man suffering from cerebro-spinal syphilis and that he in turn would be killed by another cerebro-spinal syphilitic from the Armed Forces.

"A LITTLE MEDICAL TREATMENT FOR OSWALD IN TIME MIGHT HAVE SAVED THE PRESIDENT AND YOU FROM BEING SHOT.

"I haven't had that part reprinted, but I have the book around somewhere, in which your father said there is no telling how many people or who among them will become victims of these veterans while they are kept waiting to enter the Insane Asylum. HE NEVER DREAMED THAT HIS OWN SON WOULD BECOME A VICTIM. ; jrz

EU 62-1827 DL 89-43

> "Every one will deny that Oswald and Ruby had syphilis, but I have it from a reliable source. The Armed Forces M. D.s won't want it to be known that their treatment was neglected.

"If you are in position where you dard to tell the nation the truth, I'll send you more information.

"OF COURSE MR. GOLDWATER IS NOT GOING
TO LIKE YOU --- FOR THE WHOLE TRUTH WILL
DEGLAMORIZE THE MILITARISTS AND MAKE THEM
RUN FOR POLITICAL OFFICES ON THEIR MERITS --INSTEAD OF THEIR UNIFORMS. WE, IN OUR ARMED FORCES
HAD THE HIGHEST VENEREAL DISEASE RATE IN THE
WORLD -- ELEVEN TIMES THE GERMAN RATE AND TWICE
AS HIGH AS THE RUSSIANS, WHO WERE OUR NEAREST
COMPETITORS FOR THE 'HONOR.'

"For the sake of the mothers and children, I hope to hear from you."

Attached to the above letter were thirteen (13) enclosures consisting of copies of letters regulations of the Veterans Administration, excerpts from what appears to be Congressional Hearings and pamphlets. None of the enclosures make any reference directly or indirectly to the assasination of President JOHN FITZGERALD KENNEDY nor to the individual orindividuals responsible therefore.

The enclosures refer exclusively to the possible causes, the results, and the prevalence of venereal diseases among former members of the United States Armed Forces. They also refer to various regulations of the Veterans Administration relative to its policy of treating and curing, and caring for members of the Armed Forces who have contracted a venereal disease. Typewritten notations on the margins and sometimes in the body of the enclosures are highly critical of the Veterans Administration and of the American Legion which is referred to as "American Leegh'in."

BU 62-1827 DL 89-43

On October 12, 1964, it was determined through physical observation that the residence of 1255 Ridgeway Avenue, Rochester 15, N.Y., was deserted.

On October 16, 1964, it was determined that WILLIAM HANLY, formerly of 1255 Ridgeway Avenue, Rochester, N.Y., had moved to 470 Augustine Street, also Rochester, N.Y. He was telephonically contacted on October 16, 1964, at which time arrangements were made with Mr. HANLY to interview him at his new residence in connection with his letter quoted above.

On the morning of October 19, 1964, Mr. WILLIAM HANLY, above, telephonically contacted the Rochester Office of the Federal Bureau of Investigation and advised that he did not desire to be interviewed at 2:00 PM that afternoon in accordance with arrangements previously agreed upon because he had since consulted with his attorney, whom he did not identify, who advised him that he should not be contacted or interviewed. This information by HANLY was telephonically furnished to SA EUGENE A. HEVERON.

A review of the files of the Buffalo Office disclosed the following information relative to WILLIAM HANLY:

A civil complaint was filed on behalf of WILLIAM
ROBERT HANLY in the United States District Court for the
Western District of New York on April 11, 1949, alleging
permanent and total disability from on or about September
15, 1922. This complaint was filed under the War Risk
Insurance Act. This matter was heard before the United
States District Court Judge HAROLD P. BURKE in the Western
District of New York at Rochester, N.Y., during the July
1950 term of court. Upon completion of this trial Judge
BURKE ruled as follows:

BU 62-1827 DL 89-43 4

HANLY did not become permanently and totally disabled on or prior to August 9, 1925, the date of expiration of the insurance protection. He was substantially and gainfully employed periodically since that time. The plaintiff is not entitled to recover under the insurance policy and the complaint should be dismissed on its ments. should be dismissed on its merits.

During the course of the investigation the following information was obtained:

WILLIAM HANLY first enlisted in the United States Navy on April 4, 1907, and was honorably discharged April 3, 1911. He re-enlisted May 5, 1911, and was dishonorably discharged by reason of a general court-martial on August 14, 1915. 1915. He re-enlisted on April 17, 1917, and was honorably discharged March 14, 1919. He was protected under the insurance policy until August 9, 1925. On April 6, 1931, he filed a claim with the Veterans Administration alleging that he had been permanently and totally disabled since that he had been permanently and totally disabled since March 17, 1919. The Veterans Administration denied the claim on March 17, 1949. At the time of his enlistment in 1917, no disability was noted and when discharged in 1919, no disability was noted except a HANLY alleged in numerous letters to the Veterans Administration and the Monroe County American Legion permanent and total disability as a result of contracting syphilis through an experiment conducted by a Doctor ROBERT A. BACHMAN, United States Navy, while in the Navy and while in the line of duty. HANLY was arrested October 30, 1946, at Rochester, New York on a charge of libel in that he denounced former United States Senator JAMES MEAD as having contracted symbilis. After a brief observation at as having contracted syphilis. After a brief observation at the Rochester State Hospital, he was released and the libel charge was dismissed.

Some neighbors described HANLY as not being well and having a peculiar personality with an extreme dislike for the American Legion.

Inis coctor stated he would not describe handr as a

Well man, nor does he consider him generally employable. He does consider him employable to a limited degree and believes him capable of handling a job of a routine nature, but would not consider him capable of handling a job requiring exactness or initiative.

Travis, Dallas, Texas, was interviewed at her clace of
employment, the Calvert Fire Insurance Company, 2301 North
Akard, Dallas, Texas.

Miss SPENCER noted that she is better known as JOAN SPENCER and that she is 21 years of age and single.

Miss SPENCER stated that she well recalls having received a telephone call on her home telephone, number LAkeside 1-5307, located in her residence on the night of October 20, 1964, from an unknown woman asking for a Mr. GRAHAM. She stated that she told the caller that GRAHAM does not have this telephone number, at which time the woman asked her to listen to presidential candidate BARRY GOLDWATER on television later that evening.

She stated that she was having a party in her apartment at that time and decided to have some fun with the unknown caller. She stated that she then told the woman caller that she, SPENCER, was a Communist and had no intention of watching GOLDWATER on television. She also recalls mentioning that OSWALD was not a Communist and that her group had been responsible for the ouster of NIKITA KHRUSHCHEV.

Miss SPENCER stated that her remarks were all in jest as she certainly is no Communist, has never been a Communist or a member of any Communist organization. She stated that she knows nothing about LEE HARVEY CSWALD other than what she has read in the press, nor did she have anything to do with the removal of KHRUSHCHEV from power.

Miss SPENCER stated that she is embarrassed to think that she has caused anyone the task of checking into her comments that she had made jovially to this unknown woman caller.

She stated that after she had first spoken to the caller, the same woman called back and asked her for her name, at which time she declined to furnish same. She thought
