Dear Mr. Hill,

The whole issue of half-truth and distortion which have characterized the Warren Report is about to be permanently buried. Epstein's book is a wiggling slip but nonetheless effective. Lane's book will be out in a few weeks. Someone named Weisberg has published one of his own in New York. Tom Jones in London has a very creditable book that has been published. Leo Sauvage will be published in September.

Before you read another word you can easily guess my aim. I do want you and your staff to know the truth. We have the whole truth on this and we have many citizens of Dallas on film and in my thousands of feet of stock footage bought from hundreds of stations all over the world.

To answer this, will you come up and let us film you here? We are a small, untraced little company but we are interested in one aspect of the truth: the facts. As I said earlier, I'm perfectly willing to give you a list of questions and not deviate from that list, I don't want you to invent anything. I simply WANT YOUR VERSION OF the events of 1/22/63. History will write up that you told the commission and will our film.

Will you call collect? CI6-4450.

Best wishes,
