Sirs:

I have information concern-
ing the assassination of
John F. Kennedy.

There is a hidden brain,
and communication system
in, or near my house.

I have a short wave and
other way of communication
to decode the messages.

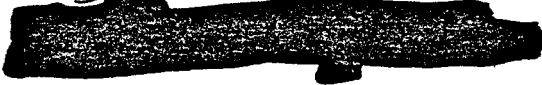

I have written to the
nation re
expl 6-trial

REC-82

4497

President, regarding the
the train, also the two
previous presidents, but
I have had no answer.

The Catholic Church was
demanding that he should
do more for the Church,
than for the Government
of the United States.

Sincerely

[Redacted]
