ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY
NOVEMBER 22, 1963
DALLAS, TEXAS

We have received information from our New Orleans Office that Mr. Ed Fogmann, one of the attorneys for Mr. Clay Shaw, has indicated his intention to contact you in an effort to obtain results of investigation allegedly conducted by this Bureau regarding Clay Shaw. It appears that Mr. Fogmann is trying to use remarks attributed to you by the news media regarding Clay Shaw in his attempt to obtain access to FBI material, which he feels will assist him in his defense of Clay Shaw.

NOTE: On March 2, 1967, Attorney General Clark made remarks to the press which the press had interpreted as stating that the FBI had investigated Clay Shaw in New Orleans in November and December, 1963. This, of course, is not true. We did not investigate Clay Shaw in connection with our investigation of the assassination and his name is not contained in the Warren Commission Report index. The Attorney General contacted Mr. DeLoach 3/3/67 as reported in memorandum Mr. DeLoach to Mr. Tolson, at which time the Attorney General stated he had been misquoted by reporters. It is now apparent that Shaw's attorneys are attempting to use the Attorney General's remarks in defense of their client Clay Shaw.
