MEMORANDUM FOR MR. CULLINAN
RE: ASSASSINATION OF PRESIDENT JOHN FITZGERALD KENNEDY

Garrison's allegations that FBI is monitoring his switchboard are completely false.

By teletype 2-24-57 New Orleans advised Garrison told press under no circumstances will he turn over evidence he has gathered to other agencies, particularly agencies of the Federal Government which he claims have withheld and continue to withhold material which should have been turned over to law enforcement agencies having proper legal jurisdiction. Garrison also quoted in paper as saying "The Federal Government has as much jurisdiction over a murder conspiracy in New Orleans as has the Society for the Prevention of Cruelty to Animals."

ACTION:

Attached is a letter to the Acting Attorney General, with copies to the Deputy Attorney General, Assistant Attorney General Fred H. Vinson, Jr., and Assistant Attorney General J. Walter Yeagley, setting forth data above.
