A source of the New Orleans Office of the Federal Bureau of Investigation advised March 16, 1967, that a close personal friend of Clay Shaw, who has been charged in a conspiracy by Orleans Parish District Attorney Jim Garrison for the murder of John Fitzgerald Kennedy, told the source that Clay Shaw has hired the Pinkerton Detective Agency to "expose" District Attorney Jim Garrison.

Source advised that one of the things that they would attempt to reveal on Jim Garrison was that approximately six months ago he was involved in a homosexual affair with a 14 year old boy, which, according to the source, resulted in a "big mess."

The New Orleans source advised she has no personal knowledge regarding the matter, but the information was obtained from [redacted] also known as [redacted] who resides at [redacted] whom source knows to be a close personal friend of Clay Shaw.
