Who Is This Man? A C.I.A. report on Lee Harvey Oswald arrived at the F.B.I. field office in Dallas the day of the assassination. It revealed that Oswald had visited the Cuban Embassy in Mexico City on September 27, 1963, and included a photograph taken by a secret C.I.A. camera of the man identified as Oswald leaving the Embassy. After the assassination, a problem developed: the man in the C.I.A. photograph was *not* Oswald! Oswald's mother added to the confusion by claiming the man in the photograph was Jack Ruby. (Obviously, it isn't.) Commission lawyers, attempting to find out if the man in the photograph was associated with Oswald or impersonating him, were never able to identify the mystery man. All the C.I.A. would say was that it was a "mix-up."
