

Domestic Intelligence Division

INFORMATIVE NOTE

Date 5/15/67

Vernon Bundy is the [redacted] that testified at Clay Shaw's hearing in New Orleans that he had observed Shaw meet with Lee Harvey Oswald on the New Orleans lake front in 1963. We have previously received an allegation that Bundy's testimony was false and that he had received a deal from New Orleans District Attorney Garrison wherein his prison sentence would be shortened provided he testified as he did at Shaw's hearing.

ACTION:

Copies of this memorandum have been furnished to the Department and to Secret Service.
