President. They could not kill BOBBY because the President President. They could not kill BOBBY because the President would use the Army and Marines to get them. This would result in BOBBY losing his powers as Attorney General because of the new President. They would get someone "peppered" up to do this job. Several days later, a person who attended this meeting was interviewed by FBI Agents of the Los Angeles Office and related what he had heard at Churchill Farms. The names of the Agents are known to the author. This is the extent of the paragraph concerning the assassination of John P. Kennedy.

REID said that his informant was reliable over the years and related this story to him about 18 months ago. After leaving New Orleans his informant traveled to Dallas and then to Los Angeles and several days later was interviewed by Bureau Agents concerning the BILLIE SOL ESTES case and allegedly related the incident at Churchill Farms. He refused to identify his informant, but said he would contact his source and see if his source was agreeable to making his name available to the FBI. The names of the Agents as furnished to REID by his informant were JIM ELDRIDGE and L. BLANTON.

A search of the Los Angeles files disclosed that

Signature E ETHRIDGE and LANFORD L. BLANTON interviewed one
on 11/26/62, who had traveled from
on 11/26/62, who had traveled from
BILSOL - NBA; ITSP; MF; CONSPIRACY, case, Bufile 29-28704,
wherein mention was made of CARLOS MARCELLO. No other
interviews by these Agents make any reference to MARCELLO.

It, therefore, appears that
report of SA BLANTON dated 11/30/02, page 14 - 16, the results
of the interview with that are set forth wherein it states
that CARLOS MARCELLO was mentioned in connection with
financing for a business proposition. No mention was made financing for a business proposition. No mention was made of the assassination or a discussion concerning the Attorney Concral. Interviewing Agents have stated they definitely cid not receive such information from anyone interviewed.

It should be noted that REID said the interview was conducted

Exernl days after the 0/11/62 meeting at the parties of the part

It should be noted that REID said the interview was conducted exertal days after the 9/11/63, meeting at Churchill Farms.

The interview with took place on 11/26/62.

REID was firmly advised that no such information was furnished to Agents of the Los Angeles Division as is alleged by his informant. He refused to confirm or deny that is his informant.

On 5/10/67, REID advised that he again contacted his informant to determine if he was agreeable to having his identity revealed by REID to the FBI. According to REID, the informant refused and persisted in his story.

REID declared that, although the FBI states that this information was not received from his informant, he will leave the story stand as is and that the book is now in the hands of his publisher.

This individual is described as a licensed private investigator in the State of California, last known residing at the had been an informant in the California (former Bureau Agent) of the los Angeles.

Los Angeles.

Idvised on 11/2/02, that he had ascertained that the was unreliable and had been lying to him and discontinued his services. As the Bureau is aware, information was received from the loss, that the claimed FBI connections and alsely represented his contacts with and as contacts with FBI Agents when he knew they were retired. As instructed by Buairtel dated 12/4/62, subsequently advised of the facts concerning misrepresentations.

The above is furnished for the Bureau's information inasmuch as it appears that this information will appear in the forthcoming publication of RED's book even though it is incorrect.
