On May 22, 1967, a letter was received at the New Orleans Office of this Bureau addressed to the Special Agent in Charge. The letter was from Jim Garrison, District Attorney, Parish of Orleans, and was delivered by hand. The letter was dated May 22, 1967, and read as follows:

"Dear Mr. Nightingale:

"Several days ago we obtained what appears to be the initial draft of a letter written by Gordon Novel shortly before his recent departure from New Orleans. This draft was written on yellow paper in pencil and appears to be an initial formulation of a letter which he subsequently wrote for mailing. I notice in his letter a reference to inquiries by the Bureau with regard to the Double-Check Corporation which he mentions. Consequently, I am enclosing for your information a photostat of the handwritten draft as well as our typewritten transcript.

"I am sure that you are much more familiar with Double-Check than we are but we have noted that in 'The Invisible Government,' the recent book by Wise and How about the C.I.A., Double-Check is mentioned on pages 78, 80, 85 - 88, 93 - 94, 124

We have no current contact available to inform of this situation so I took the liberty of writing you direct and apprising you of current situation. Expecting you to forward this through appropriate channels.

"Our connection and activity of that period involves individuals presently...about to be indicted as conspirators in Mr. Garrison's investigation.

"Mr. Garrison is in possession of certain portions of this testimony. He is unaware of Double-Chek's involvement in this matter but has strong suspicions. I have been questioned extensively by local FBI recently as to whether or not I was involved with Double-Chek's parent-holding corporation during that time. My reply on five queries was negative. Bureau unaware of Double-Chek association in this matter. Our attorney's and others are in possession of complete sealed files containing all information concerning matter. In the event of our sudden departure, either accidental or otherwise, they are instructed to simultaneously release same for public scrutiny in different areas simultaneously.

"Appropriate counteraction relative to Garrison's inquiry concerning us may best be handled through military channels via (a) via S.I.A. and Garrison is presently Colonel in Louisiana Army National Guard and has ready reserve status. Contact may be had through our attorneys of current record Nathan, Alvarez, Capor."
