INFORMATIVE NOTE

Date 6/20/67

National Broadcasting Company (NBC) presented one-hour television program evening of 6/19/67, at which time it exposed Garrison's fraudulent investigation of the assassination. During this program NBC produced numerous individuals who furnished information completely discrediting Perry Raymond Russo as a reliable witness for Garrison. Attached teletype discloses Garrison held press conference aimed at discrediting NBC program. As usual, he indicated the Central Intelligence Agency attempted to discredit his investigation along with the NBC.

Inasmuch as information in attached teletype appeared in the news media, it will not be disseminated.
