NOTE:

On 9/15/67 at 6:45 p. m., a reservation agent at Delta Airlines, Dallas, received a call that a bomb was on board Delta Airlines, Flight 827. Flight 827 originated at Atlanta and was enroute to San Francisco via Dallas. A search of the aircraft failed to locate any bomb.

[REDACTED] who was boarding this flight for San Francisco made comments at Love Field, Dallas, she had conducted research on the Kennedy assassination and had been in conference with DA Jim Garrison, New Orleans, for three days. San Francisco determined that [REDACTED] in the past had expressed great alarm over the fact that the United States is becoming fascist. She is the daughter of [REDACTED] of Los Angeles. It has been reported [REDACTED] has "left-wing" leanings and is not in good favor with her father. She supports Mark Lane's book, "Rush to Judgement" and takes the view Lee Harvey Oswald was not a communist. She pictures America as controlled by conspirators in the Government which view she has stated publicly. She is writing a book on the assassination and claims the Government is withholding information on the assassination and the press is suppressing news on the investigation being conducted by New Orleans DA James Garrison. [REDACTED] is described as an author and a playwright, and due to her thinking which she has expressed publicly, Dallas and San Francisco are to incorporate information into letterhead memoranda suitable for dissemination to the Department and U. S. Secret Service.
