Dear Mr. Fain:

On July 3, 1967, I wrote you a letter requesting your autograph on two specially cacheted envelopes for my JOHN F. KENNEDY stamp collection. To date I have not heard from you.

If you should decide not to autograph these envelopes, please return them to me in the enclosed, self-addressed envelope. These are special envelopes that have intrinsic value to me.

I would appreciate hearing from you at your earliest convenience.

Very truly yours,

Martha Duda
