Mr. J. Edgar Hoover
Director of the Federal Bureau of Investigation
Washington D. C. 20000

Dear Mr. Hoover:

Since the assassination of President Kennedy I have been extremely interested in all the facts concerning the tragedy.

I am a college senior from Hamilton, Missouri, and am writing a term paper on the effects the assassination had on prominent public figures. Information is being compiled primarily by the interview and questionnaire method. Enclosed is a questionnaire form. I would deem it a great honor if you could find time to contribute to my paper. The information received will be used only by me and only for this particular paper. If possible, I would like your signature from the standpoint of authenticity of the questionnaire form.

Due to a misinterpretation of the topic title, I am running a little late. Should you be able to help me, and if it is convenient for you, I would be extremely grateful for a prompt reply.

Thank you very much for your kind consideration.

Sincerely yours,
