

Domestic Intelligence Division

INFORMATIVE NOTE

Date 1/10/68

Kerry Wendell Thornley had contact with Oswald while in the U. S. Marine Corps, and went to great length before the Warren Commission to embellish on his personal acquaintance with Oswald.

The attached states that Thornley has been subpoenaed by New Orleans District Attorney Garrison to testify in a hearing concerning the assassination of President Kennedy. Thornley has indicated a desire not to cooperate with Garrison as he lacks confidence in Garrison.

Since this information has been obtained through news media, no dissemination is being made of same.
