Dear Sir,

I am a witness to two bombings and three shootings and nearly 100 Felonious Assaults. Myself having been bombed twice, shot and hit more than 20 times and shot at three times. Ten people or more have been brutally killed or amputated since 1923. I also believe there was a hit and run death of one C. Trainas mother in 1932.

The main conspirator and killer is a Jew named Hoffman he is being harbored at 8721 57th Avenue, Queens between Maspeth and Elmhurst.

I write this letter hoping there are more witnesses besides myself.

I also witnessed 2 hatchet assaults and numerous clubings mostly by the NYC police dept.

All of these atrocities took place in peacetime conditions in civilian life.

I am a federal pensionier. Although disabled I am unable to travel or remain anywhere. I am also familiar with Criminal Law and requirements of Federal murder and bombings. I also am familiar with the late "President" John F. Kennedy and I have eye witness testimony as to his activities in the 1930's which may have caused his death by shooting.

I am very anxious to have my testimony recorded because some of the racial riots may have secondary similarities.

I am sorry but I can not respect the present War in Viet Nam. If possible I would like to enlist as a lower grade federal deputy or agent with a permit to carry firearms in NYC.

I am forty-six and generally in good health except for time spent in Hospitals with wounds or Major surgery.

Respectfully Yours,
