J. Edgar Hoover  
Director, Federal Bureau of Investigation  
Washington, D. C.

Dear Sir;

I am concerned about these charges made by Jim Garrison. Are documents of the public domain being withheld from the American people? If so why? There is a need for us to know what goes on behind so many closed doors. It is a potentially frightening thing that we do not know. Who is being watched? Am I? Are you? Are you sure? How can you be really sure?
