Dear Sirs. Jack Ruby left a Diary with his best pal. He wrote that he was going to kill Oswald to shut his mouth. For Oswald had pawned his Rifle at Rubys Club. Oswald came to pick up the rifle the day President K. was shot. After Oswald was beaten and thrown out of the Club they couldn't find the pawn ticket. He (Ruby) was afraid he would be charged with the murder when Oswald showed his pawn ticket. Ruby expected to be killed when he shot Oswald. Ruby wrote his Sister wouldn't let him tell who the killer was. But didn't say who or what his sister was afraid of. Rubys best Pal has since passed on and the Diary - 4 tape recordings and a number of letters falls into the hands of Best Pals relatives. And no where did Ruby mention the name of the Killer. Ruby is dead and cant talk but what about his sister - If she is still living. Is there any special reason why the news media shouldn't ask her who is the killer

Sincerely - Just wondering
