Dear Mr. Sciambra:

Your letter of January 22, 1968, directed to Mr. Elmer Litchfield, Resident Agent in Charge, Federal Bureau of Investigation in Baton Rouge, Louisiana, relative to information alleged to have been brought to the attention of the FBI by one Mr. Reeves Morgan, of Jackson, Louisiana, subsequent to the assassination of President Kennedy in November of 1963, has been brought to the attention of this office.

This is to advise you that this matter has been forwarded to the Department of Justice and that the only information imparted by Mr. Morgan to the FBI was in August of 1963, which was prior to the assassination, and the information imparted was on a totally unrelated matter.

As to the information referred to in your letter of January 22, 1968, the FBI has no record of any such contact by Mr. Morgan.

Yours very truly,
