John F. ...

Dear Sir,

I had planned upon retirement, which became effective 31 Jan '68, I would contact the F.B.I., regarding a summer vacation trip via Greyhound bus to L. A. Calif, June 1956. It is not until now, that I have found the opportunity etc., to relate my narrative.

From time to time I have read newspaper accounts of Dist. Atty. Jim Garrison's continued interest in the "Ruby" case. (My episode concerns the above person.)

After debating in my mind, which way to go about explaining the subject, I decided to send this "Special Delivery," letter to you, in order to assure my information would not go astray, but be directed to the correct and authentic individual.

Will you kindly advise me how to proceed in this matter?

Very sincerely,
