

Memphis, Tenn.
March 26, 1968

William S. Walter, make the following free and
voluntary statement to SAC Robert C. Jensen and SA William
[redacted] who have both identified themselves to me as
representatives of the Federal Bureau of Investigation. I
have been informed of my rights but do not wish to sign a
statement indicating that I have so been advised. A copy of this
form was furnished to me. I was also informed of the pro-
visions of Title 18, Section 1001 of the U. S. Code. I un-
derstand what I have been told.

I am a former FBI employee who handled clerical
duties in the New Orleans Office. Among my duties was
the handling of teletype messages that came in during my
working hours. I recall that sometime during my tour of
duty (midnight to 8:00 a.m.) on November 17, 1963, I re-
ceived a teletype from FBI Headquarters. This was a
urgency teletype sent to New Orleans and other southern
offices. I do not remember any other offices nor can I
recall the specific title of this teletype. I do know
this teletype contained information to the effect that
there might be an assassination attempt on President
Kennedy in Texas. I do not recall any specific town

the Texas being mentioned but I do know that Texas was indicated. I am not mistaken about my receipt of this teletype. I also know that other clerical employees knew of receipt of this teletype. Some of these clerical employees are no longer employed by the Bureau. I do not know how to identify these employees.

I had also asked if I had furnished information regarding my receipt of a teletype on November 17, 1963 regarding an alleged attempt on the life of President Kennedy to anyone else. I have furnished information regarding this to my attorney, three representatives of the U. S. Attorney's Office in New Orleans and to SAC Jensen and SA Mulkins. I have not furnished any information regarding this teletype to Mark Lane, Jim Garrison or any representative of their offices.

I also wish to make the statement that I was not specifically asked, while in the Jacksonville Office of the FBI, whether I actually received a teletype on November 17, 1963 regarding an alleged attempt on the life of President Kennedy. I denied while in the Jacksonville Office furnishing any information to Mark Lane and said that I told Mark Lane that I never received any such message or communication.

I wish to repeat that I did receive, as I have

and before, on November 17, 1963 a teletype directed
to New Orleans and other southern offices which contained
information to the effect "Some one had said there might
be an assassination attempt on President Kennedy in
New Orleans." I am not mistaken about this.

I have read this statement consisting of this and
two other pages. I agree with it and it is the truth.
