DALLAS, TEXAS,
NOVEMBER 22, 1963

Assistant United States Attorney Harry F. Connick, Eastern District of Louisiana, New Orleans, Louisiana, was interviewed in the offices of the United States Attorney, New Orleans, by a Special Agent of the Federal Bureau of Investigation (FBI) on May 10, 1968, relative to Mr. Connick's conversation with Lynn Loisel on the evening of May 6, 1968. Mr. Connick advised as follows:

Lynn Loisel, an officer with the New Orleans, Louisiana, Police Department is presently assigned to the staff of the District Attorney, Orleans Parish, as an investigator. Mr. Connick has been acquainted with Loisel for approximately six years, having first met him when Mr. Connick was serving as a defense attorney with the Legal Aid Bureau in Orleans Parish.

At approximately 7:00 p.m. on May 6, 1968, Mr. Connick was returning from his office and as he approached his residence, 233 20th Street, New Orleans, Louisiana, he observed Loisel place something in the trunk of his (Loisel's) car which is a tan Chevrolet. comment concerning William S. Walter whom Mr. Connick was aware had visited the offices of the United States Attorney along with the Walter personal attorney in connection with the possibility that Walter might receive a subpoena in connection with the District Attorney's Office, Orleans Parish, investigation into the assassination of President Kennedy. Mr. Connick therefore made casual mention of the name William S. Walter and while at first Loisel, in Mr. Connick's opinion, pretended not to recognize the name, Mr. Connick asked Loisel if he knew why William S. Walter would contact the office of the United States Attorney. Loisel replied, "Because he took a Government document."

Mr. Connick stated that he did not submit any further questions to Loisel in connection with Walter or in connection with the Kennedy investigation and that Loisel did not make any further comment himself concerning these matters. Loisel did not offer to identify the Government document allegedly taken by Walter nor did Mr. Connick specifically ask concerning this Government document.

The conversation then drifted to non-specific matters, and no further mention was made by either Mr. Connick or Loisel concerning William S. Walter.
