Dear Mr. Foley:

Your letter was received on May 23rd.

In response to your inquiry, the FBI, at the direction of President Johnson, conducted a prompt, intensive, objective and thorough investigation of the assassination of President Kennedy. All the material developed by this Bureau in connection with this investigation was turned over to the Warren Commission for its consideration, and the results of our inquiry were subsequently made available to the National Archives by the Warren Commission. The FBI has no authority to independently release any information in these reports.

Sincerely yours,
J. Edgar Hoover
