Federal Bureau of Investigation, My name is Wilfredo Munoz. I am in this center hiding for fear of my life. I have some information about President Kennedys death this is very incredible he was sent to be killed by Mafia there is something very big going on in this city, some people will be killed, I am afraid to go to the police. I am afraid I was followed. I am in fear of my life and my family, also some high people in Politics and some police officers I believe are Mafia control. Think of this what better way to control the world than true politics. Please send someone to see me as soon as you can, Thank You
