Re Newark letter to the Bureau and LHM dated 7/31/68.

On 7/14/68, at or about 9:30 P.M., Sergeant ZBIEG, Bergen County Jail Annex, Hackensack, New Jersey, advised that one [REDACTED] Paterson, New Jersey, an inmate who is being released at 12:00 P.M. this date, was requested to deliver a note written on the back of a cigarette package liner in behalf of captioned subject. ZBIEG stated that [REDACTED] turned the note over to him which was directed to [REDACTED] Miami, Florida, and [REDACTED] Alpha Co. [REDACTED] was "expect to be subpoenaed by Jim Garrison of Louisiana," as well as "will see you in January if not all ---- over."

ZBIEG stated [REDACTED] was received at the Bergen County Jail 4/26/68, for BOP and violation of probation and will be released January, 1969.

ZBIEG stated that [REDACTED] apparently selected [REDACTED] to be his messenger, in that [REDACTED] is reported to be going to Florida with his parents after his release from jail.

points, including his commando raids on the Cuban Mainland, participation on a CIA assignment in Africa and his association with the above intelligence agency.

In view of the above, coupled with the fact that subject will be incarcerated at the Bergen County Jail, Hackensack, New Jersey, until around December, 1968, or January, 1969, the Newark Division feels that further contacts with the subject are not advisable and further that additional investigation in this matter is not deemed warranted.

Therefore, Newark contemplates no further action in this matter and this case is being placed in a closed status.

One copy of this communication is being directed to the Miami Division, inasmuch as information in this letter tends to indicate that subject is contemplating traveling to Miami when he is released from jail.
