Enclosed for the Bureau is one spent bullet found at
Commerce Street and Stemmons Freeway, Dallas, Texas, by REX M.
OLIVER, 5810 Phoenix Drive, Dallas, telephone EMerson-8-2130,
during the period October or November, 1968.

On 2/15/69, REX M. OLIVER, supra, telephonically
contacted the Dallas FBI Office and advised he is currently
employed by the Texas Highway Department and was so employed
during October and November, 1968. He advised that during this
period while he was working in the vicinity of Commerce and
Stemmons Freeway, "at the Commerce Street entrance to North
Stemmons Freeway" he found a bullet "which appeared to have
ricocheted off of something."

OLIVER advised SA ALFRED C. ELLINGTON that he picked up
this bullet and put it in his pocket and had retained same in
his possession since that time. He stated the bullet was some-
what corroded as it had the appearance of having been in the
weather for a long time. He stated he mentioned finding this
bullet to his engineer who suggested it may be the "third bullet"
which he had heard about in connection with the assassination of
President KENNEDY since the bullet was found in "just about the
right spot."

OLIVER stated he had been trying to contact District
Attorney JAMES GARRISON in New Orleans for the past two or
three weeks without success and desired to furnish this bullet
to the FBI "if you want it."
