	As you are probably aware, the Archivist of the United States is July 100
	responsible for arranging successive reviews of the records of the
	President's Commission on the Assassination of President Kennedy.
	We are now proceeding with such a review. In this connection,
	letter of August 28, 1970 was received from Mr. Thomas J. Kelley,
	Assistant Director, United States Secret Service, in which he
	states: "Concerning Secret Service Control No. 193, since the
	information contained therein is that received for the most part
	by the FBI, should the FBI declassify it, it could be then made
	available."
