CHICAGO UPI - Comedian  
and political activist Dick  
Gregory flew to Washington  
Thursday to deliver documents  
to the Rockefeller commission  
investigating the CIA.

Gregory and Ralph Shoen-  
man, an author and teacher,  
told a Chicago news conference  
earlier Thursday they had  
evidence involving the CIA in  
possible illegal activity sur-  
rounding the assassinations of  
President John F. Kennedy and  
his brother, Robert.

"I have in my possession  
evidence of value to a thorough  
investigation ...," Gregory  
said. "I have evidence which  
places some of the same  
familiar persons in the Water-  
gate scandal in Dallas at the  
time of President Kennedy's  
assassination. I also have  
evidence which raises serious  
questions about Sirhan Sirhan's  
role as the lone assassin of  
Senator Kennedy."

The men also released a  
medical report on Robert  
Kennedy's assassination which  
they said indicated Kennedy  
was shot by some one located  
in a different position than that  
occupied by the convicted  
Sirhan Sirhan.
