Dear Sir:

I understand that the report of medical experts who examined physical evidence pertaining to the John Kennedy autopsy is now available to the public. I refer to the report summarized in the New York Times 17:1, January 17, 1969, authored by Doctors W.H. Carnes, R.H. Morgan, A.R. Morvitz, and R.S. Fisher.

How may I get a copy?

Sincerely,

Mark Janssen
