Honorable Edward H. Levi
Attorney General
U. S. Department of Justice
Constitution Avenue between
9th and 10th Streets
Washington, D.C. 20530

Dear Attorney General Levi:

In connection with my earlier personal investigation of the assassination of President Kennedy, my staff investigators had interviewed Wally Weston, b2c1

[REDACTED] Orlando, Florida. In light of the recent murder of alleged organized crime figure John Roselli, who admitted to involvement in Central Intelligence Agency plots against the life of Cuban Premier Fidel Castro, Mr. Weston contacted my staff to express concern for his own personal safety and sought some measure of protection.

Accordingly, I am writing to request that you take whatever steps that are available to the Justice Department to insure Mr. Weston's safety. In addition, I would appreciate knowing specifically what steps will be taken by the Justice Department in this connection.

I suspended my investigation of the Kennedy assassination July 26 but feel I must promptly relay to you the expression of fear and request for some measure of protection which was today registered with my staff by Mr. Weston.

Sincerely,

Richard S. Schweiker
United States Senator
