EX-105

Honorable Daniel K. Inouye, Chairman  
Senate Select Committee on Intelligence  
United States Senate  
Washington, D. C. 20510

Dear Senator Inouye:

This will acknowledge receipt of your communication of September 17, 1976, in which you enclosed a Mailgram from [REDACTED] California. The Mailgram is being returned herewith as you requested.

There is no indication in our files that [REDACTED] furnished any information to this Bureau prior to 1968. On June 13, 1968, [REDACTED] was interviewed by Agents of this Bureau in Las Vegas, Nevada. At that time, [REDACTED] advised he had investigated the assassination of President Kennedy in 1960, three years before it occurred, and he personally told Mr. Robert Kennedy of the planned assassination. [REDACTED] rambled incoherently at times and could offer no specific information and was unable to identify any of the alleged participants in the assassination.

The results of our interview with [REDACTED] were furnished to the Department of Justice and the United States Secret Service on June 15, 1968.

I hope this information will be of assistance to you.

Sincerely yours,

Clarence M. Kelley

Honorable Daniel K. Inouye

NOTE: The United States Senate Select Committee on Intelligence by routing slip dated 9/17/76, furnished Mailgram sent by [REDACTED] California, to Senator Daniel K. Inouye. [REDACTED] alleges that United States Secret Service Agents were responsible for the assassination of President Kennedy and he claims to have investigated the assassination in 1961. He also claims he reported every detail of the assassination to the United States Attorney and the FBI before the assassination occurred. Mike Epstein, counsel, Senate Select Committee on Intelligence, advised that Senator Inouye requested to know if [REDACTED] had previously furnished his information to the FBI. Indices revealed [REDACTED] was interviewed on 6/13/68, at Las Vegas, Nevada, after he claimed to have information regarding the assassination. This responds to Senator Inouye's communication and advises of results of previous interview of [REDACTED]
