## 'Mistaken' About JFK

## Assassination

DALLAS (UPI) A Dutch journalist now says he, was "mistaken" about claims the late oil billionaire H.L. Hunt was connected with the assassination of President John Kennedy, according to a spokesman for Hunt's estate.

The spokesman said Wednesday Willem Oltmens has confirmed what spokesmen for the estate have been saying since April — that Hunt had no connection with Kennedy's death.

collimans had said in an April television interview that Russian-born language Professor George De Morhenschildt was Jinked "up" to Hunt and "down" to Lee Harvey Oswald in a conspiracy to kill the president.

But the estate spokesman said Oltmans told a Dallas Morning News reporter Tuesday Oltmans was "mistaken" about Hunt's Involvement in the assassination.
