SUBJECT: PRESIDENT'S COMMISSION  
ASSASSINATION OF PRESIDENT KENNEDY

*Re: Rankin*

Mr. J. Lee Rankin telephonically advised that one of the attorneys to be utilized by the Commission is Albert Jenner, a Chicago lawyer who resides at Evanston, Illinois, and is presently confined to the Evanston Hospital in Room 4126. It is noted previous information concerning this attorney indicated his name to be Robert Jenner.

Mr. Rankin stated that Jenner would be confined to the hospital for at least a week to a week and a half and requested the Bureau to make arrangements to have a complete set of the reports that had been furnished to members of the Commission made available to Mr. Jenner in order that he might review this material while confined to the hospital. Mr. Rankin stated that Jenner had indicated that security at the hospital would not be a problem.

A check of the files concerning Albert Jenner is being made at the present time.

RECOMMENDATION:

If approved, arrangements will be made with the Chicago Office to deliver one full set of the Bureau reports and exhibits to Mr. Jenner at the hospital in Evanston, Illinois.
