

Memorandum

TO : MR. GALE
FROM : H. J. EDGERTON
SUBJECT: WARREN COMMISSION

DATE: 12-18-63

I want to bring to your attention that I have learned that Congressman GERALD R. FORD, Republican, Michigan, is a member of the Warren Commission.

Mr. Ford was my football coach and law professor when I was in college. I have known him well as personal friend for over 20 years. He is from Grand Rapids, Michigan. I have not been in contact with him since my return to SOG as Inspector, but while here previously as a Supervisor we were in fairly frequent contact as he was always interested in my career in the Bureau.

For information.
