SUBJECT: HOUSE SELECT COMMITTEE ON ASSASSINATIONS

P. [Signature]

PURPOSE:

The purpose of this memorandum is to advise of request from captioned Committee to verify the accuracy of withholding Warren Commission Document #1359 from release to captioned Committee because of counterintelligence classification.

DETAILS:

By letter 12/21/77, (copy attached) Robert Blakey Chief Counsel for captioned Committee requested of Attorney General Griffin Bell the opportunity to verify the accuracy of withholding Warren Commission Document #1359 from release to the Committee because of a foreign counterintelligence classification. Document #1359 is a letter dated 6/17/64, (copy attached) from J. Edgar Hoover to the Honorable J. Lee Rankin, Counselor, Presidential Commission and deals with information from a confidential source relating to the assassination of President John F. Kennedy.

Pursuant to the memorandum of understanding the Committee is given the opportunity to verify on a selective basis information withheld from the Committee. On 12/27/77, this matter was discussed with Deputy Assistant Director William O. Cregar to obtain the views of the Intelligence Division regarding this matter. Mr. Cregar feels it would be

proper to allow Mr. Blakey to see the questioned letter with the understanding that the contents would not be discussed with other individuals and that it would not be made public in any manner. This would protect the source and still allow the Committee to verify the reasons for withholding this document from release to the Committee. Memorandum to the Associate Director
Re: House Select Committee on Assassinations

ADDENDUM: INTELLIGENCE DIVISION

WMB
- WGC:lm1 - 1/4/78

With regard to the recommendation of the Legal Counsel Division, the Intelligence Division has been assured that Mr. Blakey is a responsible official and one whose word can be respected. Inasmuch as the Committee must be given the opportunity to verify on a selective basis information being withheld from the Committee, it is the recommendation of the Intelligence Division that Mr. Blakey be allowed to read Warren Commission Document #1359. By so doing, we will allow Mr. Blakey to satisfy himself that Document #1359 does not go to the merits of the investigation being conducted by the Committee. In handling the matter in this fashion, we are able to satisfy the requirements of the House Select Committee and yet fully protect our sensitive source, it being noted that the contents of Document #1359 do not in any way place our source in jeopardy or identify him.
