It is noted that much duplication exists in these files. This is due to the fact that one memorandum or communication prepared by the Detroit Office may have been included in seven or eight different files pertaining to Detroit LCN subjects.

It is further noted that some informants are set forth by name in these various communications since they, at that time, were in development as PCI's. No attempt has been made to remove these names or the names of any Bureau personnel which appear in these documents.

These persons have not been the subjects of, or identified as, participants in any conversations monitored by any lawful elsur where one of the parties consented to the surveillance or where the surveillance was conducted pursuant to the provisions of Public Law 90-350, nor are any of them known to have any proprietary interests in any premises which were the subject of such a surveillance.

ADMINISTRATIVE

It is noted that the enclosed log summaries contain only "mention" with no "overhears" of the names requested in referenced airtel.

Some of the log summaries reflect information apparently unrelated to the mentioned names, which information refers to private activities of an individual described as "the President".

Verbatim transcripts of these conversations are not available either as tape recordings or as written records. The tapes have previously been destroyed according to the provisions of referenced SAC letters.

Excision of any parts of the enclosures is being left to the discretion of CIU.

It is likewise noted that instant enclosures contain serials as requested in referenced airtel that originally were of administrative interest only and likewise were sensitive in nature. This information is segregated into a separate group of documents for review and selection by CIU. They are submitted as items requested in sentence 1, paragraph 1, page 2, of referenced Bureau airtel.

Although none of the above material is formally classified, the administrative nature of some of the serial copies and the "June" designation on some of these enclosed communications may necessitate special handling.

Referenced airtel furnished information that REID, co-author of the book "The Green Felt Jungle," has now written a book entitled "Jungle, U.S.A." which is to be published in the near future. In this book, REID devotes one chapter to CARLOS MARCELLO, LCN member in New Orleans. REID included information and statements supposedly made by CARLOS MARCELLO on 9/11/63, concerning the pending assassination of President KENNEDY. REID attributed this information to an informant who claimed he was interviewed by FBI Agents in Los Angeles and gave this same information to them in September, 1963.

Re Los Angeles airtel 5/17/67.

(b)(7)(c) ED REID, author of the  
(b)(7)(d) soon to be published book, "Jungle, USA," contacted REID telephonically on 5/26/67, and explained to him that SIDNEY KORSHAK had reported that ED BECKER was trying to shake down some of KORSHAK's friends for money to keep their names out of the book.

The purpose of source was to discredit BECKER to REID in order that the CARLOS MARCELLO incident would be deleted from the book by REID. BECKER is obviously REID's informant concerning reportedly informing Bureau Agents in September, 1963, that CARLOS MARCELLO was planning on killing President KENNEDY.

REID did not commit himself as to deleting or changing any passage of the book. (b)(7)(c)

SUBJECT: BILLIE SOL ESTES  
INTERSTATE TRANSPORTATION OF  
STOLEN PROPERTY - BRIBERY

This is to set forth a review of new developments, pending and completed investigation in the Estes case.

### NEW DEVELOPMENTS

#### Motions Filed By Estes and His Conspirators To Be Argued December 10, 1962, At Which Time Trial Date For Estes To Be Settled.

As previously reported, Estes' coconspirators have filed motions requesting that their sentences be reduced by half and that the execution of the sentences be delayed until January, 1964. The motion contains what is described by the Assistant United States Attorney at El Paso as an inaccurate statement, in that the Federal attorneys did not so inform the coconspirators. The statement reads "The defendants have been informed by the attorneys for the Federal Government and the State of Texas that are handling the prosecution of the Federal case that their (the coconspirators) testimony is necessary so that full disclosure of the facts pertaining to said prosecution can be fully revealed and that without their testimony in many cases a proper and complete prosecution cannot be sustained."

The Department is aware of this statement and Rufus D. McLean of the Criminal Division of the Department will be in El Paso to handle the December 10, 1962, court action.

The motions on behalf of Estes were to dismiss the indictment; for severance and for a bill of particulars. It is expected that after argument on December 10, 1962, that the judge will set a trial date for the Federal trial of Estes on the 29 count indictment returned June 21, 1962, at El Paso. Estes has previously pled not guilty to this indictment on July 13, 1962.

Grain Storage

As a result of our over-all investigation of grain storage, it was determined that the Agricultural Stabilization and Conservation Service, U.S. Department of Agriculture, had not received information that Estes had associates in connection with his operation of United Elevators, Plainview, Texas. Interviews are being conducted to determine if this information would have had any affect on the examination or recommendations made by warehouse examiners.

# Begins Serving Term In Racketeering Case

Salvatore S. (Sam) DiPiazza, 46, convicted in 1967 of interstate racketeering, began serving a 10-year federal prison sentence Thursday.

He reported to the U. S. marshal's office in Cincinnati about 3:30 p.m. He will be sent to a federal prison hospital in Springfield, Mo., because he has heart trouble.

DiPiazza was sentenced to 10 years in prison and fined \$50,000 in U. S. District Court after he was found guilty of seven counts of use of interstate telephone facilities for gambling and one count of conspiracy.

Federal agents said that DiPiazza, working out of New Orleans, La., ran a \$100,000-a-month gam-

bling operation with Clyde Deming, 58, Ft. Thomas, Ky., who also was convicted on the same charges. Deming reportedly operated in Silverton.

The U. S. Supreme Court last Thursday refused to hear DiPiazza's appeal. The Sixth Circuit Court of Appeals had earlier turned down the same appeal.

Deming currently has an appeal pending before the Supreme Court.

Otto Kuhn, 78, Frankfort, Ky., convicted with Deming and DiPiazza currently is serving a five-year penitentiary sentence.
