House Votes 280-65 to Probe Kennedy, King Assassinations

By Mary Russell

Washington Post Staff Writer

The House created a select committee yesterday to investigate the assassinations of President John F. Kennedy and Dr. Martin Luther King Jr.

The 12-member committee, established on a 280-to-65 vote, will be headed by Rep. Thomas Downing (D-Va.) for the remainder of this Congress. Speaker Carl Albert (D-Okla.) said. Downing, however, is retiring, and Rep. Henry B. Gonzalez (D-Tex.), with Downing a prime sponsor of the committee, is expected to become chairman in the new session next January.

Downing said he would ask for \$250,000 to get the committee started and hire staff, but Rep. Frank Thompson (D-N.J.), chairman of the House Administration Committee which must authorize the funds, indicated yesterday he might be reluctant to approve that amount.

Because the select committee expires at the end of this year and will have to be re-established by the House next year, it should wait until then for funding, Thompson said.

Downing said the committee would not hold public hearings before the Nov. 2 elections, to avoid charges of capitalizing politically on the investigation, but he said it might hold some closed hearings "in order to preserve testimony."

Reasons for looking again at the 1963 Kennedy assassination, he said,

are revelations by the congressional intelligence committees that information about CIA attempts to kill Cuban Premier Fidel Castro was withheld from the Warren commission, "the murder of two Mafia members enlisted by the CIA to help assassinate Castro, and the destruction of notes on Kennedy's autopsy and a note by assassin Lee Harvey Oswald to a member of the FBI.

The commission headed by Chief Justice Earl Warren investigated the assassination of Kennedy in Dallas and concluded that Oswald acted alone.

But Downing said yesterday, "I am convinced there was a conspiracy involved. I do not know the identity of the conspirators or their motives. That should be investigated in depth."

Downing promised "to engage in no witch-hunts" and "not blame those who may have made mistakes in the original investigation."

Rep. B. F. Sisk (D-Calif.) called the planned investigation a waste of taxpayers' money to satisfy "the melodramatic desire of the morbid to create an incident."

Though Downing and Gonzalez set out more than a year ago to create the committee, they were going nowhere until they received a push from members of the Congressional Black Caucus, who felt they had received "new information" in the 1968 killing of Martin Luther King Jr. that called for Congressional investigation.

D.C. Del. Walter Fauntroy and Rep. Yvonne Burke (D-Calif.) confirmed that the information came from writer and TV producer Abby Mann, who is working on a documentary on King's death, and from writer Mark Lane, one of the first to doubt the Warren Commission conclusions.

Reportedly the information has been known since 1968 but never investigated by the FBI.

It deals with the removal of King's black security chief from his side shortly before he was killed in Memphis, and the sudden transfer of two black firemen from the firehouse across the street from the motel where King was staying and was shot.

Edward Redditt, in charge of security for King, was ordered to go home about 4 p.m. on the day of King's death, because of a reported attempt on the life of Redditt's family.

The order was attributed to Memphis Fire and Police Director Frank C. Holloman, who had worked for the FBI for 25 years, part of the time in the office of the late Director J. Edgar Hoover, who had tapped King's phone and ordered surveillance of the civil rights leader.

Floyd Newsum, one of the black firemen abruptly transferred from the fire station across from the motel, said he had attended a King rally in Memphis and, though he publicly told of the transfer at the time, says he was never interviewed by the FBI.

RE: HOUSE SELECT COMMITTEE ON ASSASSINATIONS

As to the assignment of FBI personnel selected by the Committee, this appears to be highly undesirable. Mr. Uhlmann was, of course, advised by SA Paul V. Daly of this Division that the assignment of personnel to Congressional Committees had been recently done only with the Attorney General's approval and was also advised that it was not proper for a Committee of Congress to select what FBI personnel would be assigned to that Committee should the Attorney General and the Director agree to furnish personnel.

JCF

We cannot begin the investigation of any case until the Department of Justice and the House Select Committee on Assassinations (HSCA) have formalized a Memorandum Of Understanding.

A representative from the Employees Security and Special Inquiry Section of the Special Investigative Division should be present at any conference with the HSCA wherein the procedures for conducting these background investigations are discussed. We have utilized this format very successfully previously.

The HSCA should be advised they should insure these cases are sent to the FBI in an even flow rather than a large number at one time as we have many other commitments, which commitments are particularly demanding in a Presidential election year.

Although we have not charged The White House or other Congressional committees for conducting these investigations, it is noted the charge would be \$2137 per case and the new pay raise would increase this charge. The HSCA states it anticipates requesting approximately 175 to 200 investigations and this means approximately \$400,000 would be diverted from our appropriation if we are not reimbursed. Since this is a Presidential election year we will undoubtedly receive a large number of special inquiry investigations for which we are not reimbursed.

DETAILS:

By airtel dated 10/19/76 from SAC, Alexandria, to the Director, captioned "UNSUB, aka [redacted] (Phonetic), IS-R," information was set forth indicating one [redacted] might have been employed as a member of the Congressional staff. Prior communications in this matter indicate that the individual identifying himself as [redacted] "will be working on Capitol Hill on the Kennedy assassination."

From the content of referenced communication and prior information, it would appear that if [redacted] were employed in the Congress it would be for captioned Committee, which is currently hiring staff and launching inquiries into the assassinations of President John F. Kennedy and Dr. Martin Luther King. (b)(7)(c)

HSCA Jacqueline Hess, staff member of captioned Committee, [redacted]

[redacted] There is no individual listed whose name bears similarity to [redacted]. Attached is a copy of that letter. (b)(7)(c)

This Committee is hiring individuals on a daily basis and will have 30 staff members till the end of this Session of Congress and anticipates having 170 staff members for the next Session. It is, therefore, possible that such an individual might be in the process of being hired but has not been hired yet.

[REDACTED]

As to their access to FBI files, it is believed they should be granted access to the same extent that the Senate Select Committee on Intelligence Activities was granted. This position is consistent with what we understand has been in Departmental discussions with the Committee concerning this matter. Such access would include deletions or excisions of material which might disclose informants, sensitive sources or methods and involve obtaining third-agency clearance.

REC-7 62-117290-6

HSCA

[REDACTED] It is believed that this particular topic should be discussed with representatives of the Committee so that an understanding as to the needs of the Committee and the ability of the Bureau to comply can be met.

Re Request Number 1

GID concurs with the opinion of Legal Counsel that access to FBI files should be granted to the same extent as the Senate Select Committee on Intelligence Activities was granted access with due regard for excision of material which might disclose the identity of informants, sensitive sources or methods or, in the case of third agency material, clearance from the third agency before release.

Re Request Number 2

This request is not specific enough to allow compliance. All information that has been disseminated from our files is also still in the files and would be covered by Request Number 1. If the Committee desires to know the dissemination of the material requested under Request Number 1, it can be

Memo, Cooke to Gallagher

provided. Do the agencies mentioned include only the Executive Department agencies such as the CIA or Secret Service or does it also include previous Congressional Committees, for instance? Does the request regarding information furnished to individuals include that made under the Freedom of Information Act?

Re Request Number 3

The FBI has not compiled a summary of the total investigation of the assassination of President John F. Kennedy. The FBI conducted approximately 25,000 interviews and reinterviews in the initial investigation and submitted over 2,300 reports totaling over 25,000 pages to the Warren Commission. Many of these reports contained a synopsis which is a summary of the investigation contained in that particular report.

The Warren Commission used the numerous FBI reports as well as reports of investigations conducted by other agencies and the testimony of witnesses called before the Commission itself and arrived at its conclusion which is summarized in the Report of the President's Commission on the Assassination of President John F. Kennedy dated 9/24/64. This report would constitute the best currently available summary of our investigation.

Legal Counsel to the Associate Director
RE: HOUSE SELECT COMMITTEE ON ASSASSINATIONS

Mr. Sprague advised that he did not desire delivery of large numbers of Bureau documents to the Committee. He felt that the Committee's needs could best be served by having access to Bureau documents at FBI Headquarters. He further commented that there may be the necessity for the delivery of selected documents to the Committee on occasion.

Mr. Sprague advised that he was interested in receiving FBI assistance in setting up his security procedures for this Committee and would welcome the Bureau's assistance in this matter.

Mr. Sprague advised that he was desirous of obtaining clearances for his staff personnel so that review of the FBI documents could be undertaken. Mr. Adams advised Mr. Sprague that a great portion of the material on these two assassinations was not classified and that the Bureau would proceed with the background investigations as soon as the agreement for these investigations is signed by the Attorney General and the Chairman of the Committee. Mr. Sprague was also advised that his background investigation would be handled in an expeditious manner.

The Attorney General

Director, FBI

HOUSE SELECT COMMITTEE ON ASSASSINATIONS

This is to advise you that John A. Mintz and Paul V. Daly of this Bureau and Mr. Maurice Rosenberg of your office met with Chairman Thomas Downing and Ranking Minority Member Samuel Devine of captioned Committee. In accordance with Mr. Rosenberg's letter of November 18, 1976, to the Chairman, they were shown Xerox copies of the letter addressed to Honorable J. Lee Rankin of the Warren Commission dated June 17, 1964, from former Director J. Edgar Hoover.

They both appreciated the sensitivity of the information contained in the letter and indicated an appreciation for the need for special handling of information of this nature.

During the course of the meeting with Chairman Downing and Congressman Devine, Chairman Downing asked whether we had received a subpoena from his Committee as yet, and we indicated we had not and did not know there was such a subpoena in existence. It was explained to Chairman Downing the concerns the Department of Justice and the FBI would have if such a subpoena was issued and that it was the intention of the Department of Justice and the FBI to cooperate fully with this Committee. Chairman Downing and Congressman Devine indicated a desire to avoid proceeding in this inquiry by way of a subpoena. Subsequently, Congressman Devine advised SA Paul V. Daly of the FBI that he had discussed the issuance of a subpoena with Staff Director Richard Sprague and advised him of the FBI's concern. Devine said Sprague agreed not to proceed with a subpoena.

J. S. Peelman to Mr. Gallagher Memo
Re: HOUSE SELECT COMMITTEE
ON ASSASSINATIONS

ADDENDUM: LEGAL COUNSEL DIVISION PVD:mcz 11/12/76

As to the questions raised by the General Investigative Division in this memorandum, Legal Counsel Division makes the following observations:

The authority of a committee of Congress to make a request for information is derived from the authority to seek information to fulfill a legislative function, and in this instance this particular committee is acting pursuant to a resolution of the House of Representatives. The more critical question rather than the authority for the request is the kind of information the committee will receive, and it is for this reason that the standards set forth in the agreement between the Attorney General and the Chairman of the Senate Select Committee on Intelligence, Frank Church, are being used to govern this question.

The possibility, of course, could be raised that the Select Committee on Assassinations is not a properly constituted Committee in that it has^{not} been created to serve a legislative function, but it is not believed advisable nor desirable to raise this particular issue since there would appear to be little hope of obtaining support in the Department or elsewhere in such a challenge.

Concerning the invasion of privacy "of those individuals who furnished information in a criminal case." It should be noted the Privacy Act does not preclude or prohibit responding to a legitimate request of a committee of Congress. The question of protecting identity of informants, persons who furnished information on a confidential basis, raised in this memorandum is addressed in the aforementioned agreement between Senator Church and the Attorney General which is governing the furnishing of information to this committee and provides for the protection of the identities of such people. The third agency rule providing for clearance prior to the furnishing of information to the Committee will also be followed.
