[Signature]

A name given to a child (whether in birth or adoption) before the expiration of three months from the date of registration of the birth, may be changed in California 10 of the birth entry under the procedure provided by Section 13 of the Birth and Death Registration Act, 1933, if the parent or guardian who is still in possession of the facility, at any time, does not deliver a certificate of birth or of naming to the registrar of administration before the expiration of the time within the birth is registered. This certificate must be in the prescribed form which can be obtained on application to any registrar.
