

## Memorandum

TO : SAC, MEMPHIS (44-1987)

DATE: 4/15/68

FROM : SA THOMAS L. BUCKLEY

SUBJECT: MURKIN  
CR

OO: MEMPHIS

Mr. DAVID NEWBERRY, 1746 Carter Avenue, Memphis, Tennessee, telephone 278-4282, telephonically contacted this office at noon, 4/15/68, to advise that the Mexican artist's conception of the killer of Dr. MARTIN LUTHER KING bore a remarkable resemblance to an old friend of his, one DAVID ALEXANDER MC CLINTOCK, with whom NEWBERRY went to school in Pittsburg, Kansas, some years ago.

NEWBERRY stated that MC CLINTOCK had served in the U. S. Navy. He also recalled that MC CLINTOCK had a part of a finger and a thumb missing and also had several tattoos. MC CLINTOCK would presently be about 38 or 39 years of age.

NEWBERRY has not seen MC CLINTOCK for about 10 years. At that time, MC CLINTOCK was living with his mother, whose name NEWBERRY did not know, in Wichita, Kansas. NEWBERRY recalled that MC CLINTOCK was originally from Joplin, Missouri.

NEWBERRY has no reason to believe that MC CLINTOCK is involved in captioned crime, merely furnished the information of the resemblance and for whatever assistance it might be to this Bureau.
